ECAR  
2019

# Participants

# Devices

# IT security

## Security training available

## Personal device security practice

## In the past 12 months...

# Technology: Ease of Wi-Fi login

## 2.3 Ease of login to Wi-Fi network(s) provided by the institution

### 3.3 What are the most important things for you to have when you are studying?

## Students' message to the institution IT

1. Keep devices updated and make their services homogenous.
2. It would be good to have laptops and tablets for loan.
3. Technical support should be available for students online. Possibly also out side the office hours.
4. More power outlets [to charge laptops and phones]
